## ATTEND YOUR LOCAL COURSE

### EVENT LOCATION

St George Hospital  
ICU Auditorium & Simulation Centre  
Level 4, Acute Services Building  
Gray Street, Kogarah, NSW 2217

### EVENT DATE AND TIME

Friday 31 August, 2018  
8.00am-5.30pm

### CONTACT PERSON NAME

Dr. Andrew Cheng, Course Director

### CONTACT PERSON EMAIL

[andrew.cheng@unsw.edu.au](mailto:andrew.cheng@unsw.edu.au)

### REGISTRATION INFORMATION

Email: [event@ssmrf.com.au](mailto:event@ssmrf.com.au)  
Web: <http://www.ihtms.org/index.php/enls/>

ENLS is an educational program of 14 distinct modules designed to help healthcare professionals improve patient care and outcomes during the critical first hours of a patient's neurological emergency.

ENLS demonstrates a collaborative, multi-disciplinary approach and provides a consistent set of protocols, practical checklists, decision points, and suggested communication to use during patient management.

This upcoming ENLS course is an instructor-led training session that offers a robust introduction to each course topic through instructor-led classroom training and participants can earn **CME Credits**.

*In support of improving patient care, this activity has been planned and implemented by Cine-Med and the Neurocritical Care Society. Cine-Med is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.*
